 - £50 Cashback – A new Nikon D5100 body only or with any 1 new NIKKOR lens
 - £65 Cashback – A new Nikon D5100 with any two or more new NIKKOR lenses
 - £80 Cashback – A new Nikon D7000 body only or with any 1 new NIKKOR lens
 - £100 Cashback – A new Nikon D7000 with any two or more new NIKKOR lenses
- The offer is valid on purchases between 29th March 2012 and 30th May 2012 (inclusive). Claims must be received by 30th June 2012 (inclusive).
- The promotion only applies to products which have been supplied and distributed by Nikon UK Ltd within the UK and Republic of Ireland. Nikon UK Ltd cannot accept claims against products purchased from alternative markets. Visit our website for a list of authorised retailers, but we would also advise to check with your retailer before buying.
- Purchases made from Dixons Travel stores are excluded from this promotion.
- This promotion is not available on any second hand or graded stock.
- The closing date for applications is 30th May 2012.
- To claim for this promotion please complete the claim procedure at www.nikon.co.uk/cashback, the following items will be required to complete your claim:
 - proof of purchase in the form of a legible copy of the retail receipt or invoice clearly showing the product name AND date of purchase. Online order confirmation is NOT acceptable.
 - copy of the Nikon Europe Service Warranty document for the camera and lens (es) once the required details have been completed.These documents can either be uploaded to the claim (in a digital format) or be sent via post, with the confirmation of the online claim submission, to the address provided.
Where web access is unavailable please call 01420 525 506 to order a claim form.
Submitted documents will not be returned to the applicant. Proof of posting will not be accepted as proof of delivery. Nikon cannot accept responsibility for lost, delayed, damaged or illegible applications.
- This offer will be redeemed directly through Nikon UK and under no circumstances by the retailer.
- All postal claims must be sent to: Nikon Spring 2012 Cashback, PO BOX 246, Alton, GU34 9BL. We will not accept any claims by fax, telephone or e-mail.
- The promotion is available to the original purchaser and is limited to one claim per person. Multiple claims from companies, organisations and institutions and claims from resellers are excluded from this offer.
- This cashback offer is subject to continuous ownership of the product(s) purchased. Nikon UK reserve the right to recall/cancel payment if the product is returned/resold.
- This promotion is open to UK and Republic of Ireland residents, aged 18 or over. Employees of Nikon and their immediate families, its agents or anyone professionally associated with this activity may not participate in this offer.
- This offer will be fulfilled by prepaid Visa® card. Nikon UK will endeavour to issue your prepaid card within 30 days from receipt of application, however if you have not heard anything after 30 days of submitting your paperwork, please call our cashback support line on 01420 525 506.
- Most queries can be answered by visiting our FAQ page at www.nikon.co.uk/cashback. You can also access the Visa® card T&Cs from here. Any further questions should be addressed to 01420 525 506.
- Promoter: Nikon UK, Nikon House, 380 Richmond Road, Kingston upon Thames, Surrey KT2 5PR. Please do not send applications to this address.
- The promoter may pass your details on to a third party for handling and fulfilment purposes for this offer only.
- This promotion cannot be used in conjunction with any other offer.
- The Nikon 2 year warranty is applicable to compact cameras, digital SLR bodies and Nikon digital SLR kits. For 2 year warranty register your new Nikon within 30 days of purchase. All solus lenses, accessories and scanners will continue to have the advantage of a one year warranty. Go to www.nikon.co.uk/register.

NIKKOR

The easiest way to broaden your photography skills is to invest in a second lens, and we've plenty to choose from;

IDEAL FOR TRAVEL

18-200mm VR II Lens

An ideal one-lens solution offering a wide focal range for a variety of shooting situations.

- 11 x zoom with a range of 18-200mm (35mm equivalent: 27-300mm) for dramatic, wide landscape shots as well as zooming in to capture far away subjects, all with just the one lens.
- Nikon VR II (Vibration Reduction) Image Stabilisation enables handheld shooting at up to 4 shutter speeds slower than would otherwise be possible, assuring dramatically sharper images and video capture.

55-300mm VR Lens

Compact telephoto zoom lens ideal for capturing distant subjects at athletic events, family pictures, dramatic sunsets, travel and more

- 5.5 x Telephoto zoom lens with a range of 55-300mm (35mm equivalent: 82.5 to 450mm) making this an ideal lens to complement the standard 18-55mm zoom lens.
- Great value for money, this lens is ideal for entry-level SLR users as well as for more experienced photographers who want a second lens to increase their zoom range.

NIKKOR

IDEAL FOR PORTRAITS

35mm F1.8 Lens

Fast f/1.8 prime NIKKOR lens perfect for low-light conditions, environmental portrait, travel and general photography.

- Fast maximum aperture of f/1.8, perfect for low light conditions and to achieve beautiful background blur (Bokeh)
- Balanced, lightweight and compact design

50mm F1.8 Lens

This updated classic with a fast maximum aperture is ideal for everyday shooting. The higher focal length allows for great close-up portrait photography, ensuring stunning detail.

- This lightweight lens is a great companion for when you're out and about because you never know when a beautiful, sunny day will turn cloudy and rainy. With its fast f/1.8 aperture, the AF-S NIKKOR 50mm f/1.8G will capture low-light situations with stunning brilliance.
- Nikon's Super Integrated Coating (SIC) enhances light transmission efficiency and offers superior colour consistency and reduced flare.

NIKKOR

IDEAL FOR LANDSCAPES

10-24mm Lens

This ultra wide-angle lens, designed exclusively for use with Nikon's DX-format DSLR cameras, provides a versatile wide-angle zoom perspective.

- Compact, 2.4x ultra wide-angle zoom ideal for landscapes, cityscapes, interiors, architecture and more.
- The high quality optical design boasts three aspherical and two ED glass elements to deliver images with outstanding resolution, contrast and minimised distortion.

IDEAL FOR MACRO PHOTOGRAPHY

40mm F2.0 Lens

This DX-format Macro lens captures stunning details at any distance including details practically impossible to detect with the human eye at 1X magnification.

- Ideal for shooting general close-ups, delicate flowers, detailed collectables, copy photography, portraits, landscapes and more.
- Nikon's exclusive Silent Wave Motor ensures quiet autofocus so you can shoot up close without disturbing your subject.
